

Be a part of one of the greatest achievements in modern Halacha

Halachipedia

We need your
help!

Our mission is to create the most comprehensive resource of Halachik information, for both Ashkenazim and Sephardim, online and directed towards an English-speaking audience.

You can win \$20 by helping this great cause by submitting an original article containing at least 500 words on any Halachic topic of your choice.

Submit your articles to
ike@halachipedia.com.

We already have over 300 pages of easy-to-access Halacha. All contributions are appreciated, whether it's a short article, a minor edit or a full topic researched. It will, with Hashem's help, broaden the availability to Halacha for many.
